How to use this Price List

This price list is designed to present all of the information needed to determine the list price of the bathtub. Each page contains the model name, model number, size, and list price.

To determine your bathtub's list price, first select the model and size. Then select from tub only/soaker or preferred factory installed bathing system. You will find a list of accessories on pages 44-45. Adding the price of the accessories to the price of the selected bathtub will give the total list price. You will find our freight rates at the bottom of this page.

Simply e-mail (orders@americh.com) or fax your order (818-982-2764 or 704-588-3166) to us. Americh makes every attempt to confirm orders within 24 hours. If you do not receive a confirmation within 24 hours, please contact us immediately.
